## FROM DIRECTOR'S DESK

At IMC, we aim at transforming our students into innovative corporate leaders with an international perspective, to succeed in the fast-changing global business scenario.

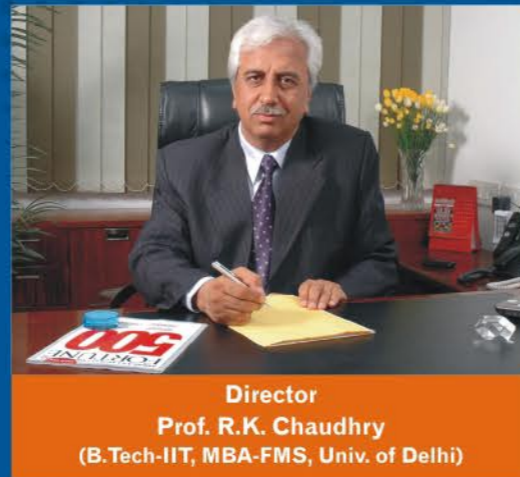

In the past 21 years, IMC students have contributed substantially to the corporate world by assuming key responsibilities in the senior positions, in the most prestigious organizations, all around the world. We are sure that our present and future students will also excel in the corporate world.

**We wish them all the success.**

### Pedagogy- A 360 degree Approach to Transform the students into Corporate Leaders

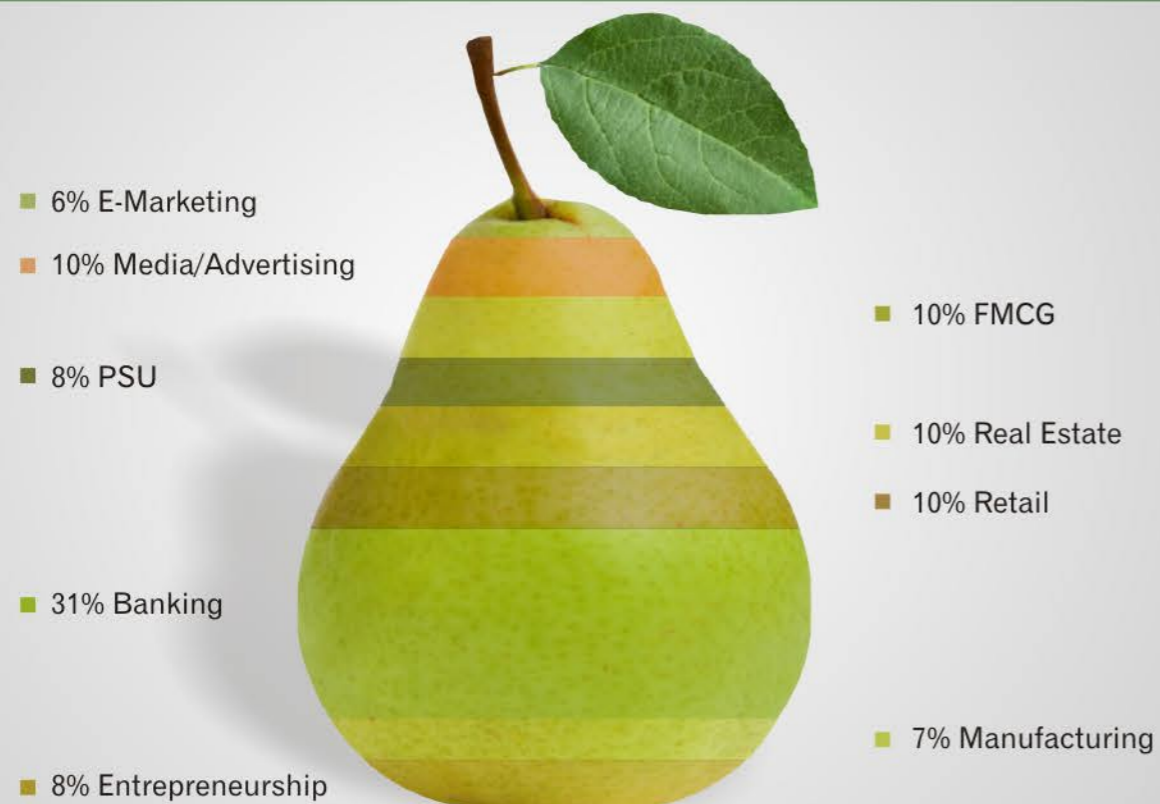

IMC adopts holistic approach towards all round development of its students through :

- Experiential Learning through industrial projects, plant visits, sponsored projects, soft skill training )
- Active Corporate interface
